

ARTEXPRESS

The Temporary Exhibitions Gallery

Friday 4 April – Sunday 8 June

ARTEXPRESS is a series of exciting, dynamic, expressive exhibitions that showcase the considerable creative talent and technical skills of the previous year's Higher School Certificate Visual Arts candidates. The artworks by students from government and non-government schools across the state, explore the young artists' many interests and concerns, including the exploration of culture, personal identity and family relations. The bigger issues of world politics and the human impact on the environment are also addressed.

ARTEXPRESS' engaging exhibitions impress audiences wherever they occur and always include outstanding artworks by local students. The high achieving student artworks in ARTEXPRESS exhibitions are attributable to the rigor of the NSW Visual Arts curriculum and the quality teaching and learning occurring in New South Wales schools.

ARTEXPRESS is a joint project of the Board of Studies NSW and the Department of Education and Communities managed by The Arts Unit.
