

Animal Magic

16th Les Peterkin Portrait Prize for children

The Macnaughton Focus Gallery and
Peter and Judy Budd Foyer

Friday 5 October – Sunday 25 November

If you were an animal what sort would you be? In 2012, local primary school students were asked to depict their animal personas. The resulting exhibition *Animal Magic* is a menagerie of colour, feathers, scales and fur.

From over 1000 entries, 40 outstanding animal portraits will be selected for exhibition. The works express the wild and fertile imaginations of our local children. A further 200 excellent works will be displayed in folios. This community based exhibition is an annual highlight of the Tweed River Art Gallery calendar. It is named after the well-known artist, teacher and identity, Mr Les Peterkin.
