**Les Peterkin Portrait Prize for Children  
Macnaughton Focus Gallery and Kelly Wall**

**Friday 27 September – Sunday 17 November 2019**

---

In 2019, local primary school students were invited to create a self-portrait featuring themselves at their favourite place. Asked to choose a setting or situation that captures their interests and conveys something about their life and personality, these young artists have used a variety of media to create imaginative and meaningful portraits.

Ranging from the delightful paintings of kindergarten students to detailed illustrations by children in upper primary classes. *Myself – At My Favourite Place* will display 40 framed prize-winning works on the wall and another 200 outstanding works in display folders. This increasingly popular prize is named after artist and art teacher Mr Les Peterkin and is a celebration of the artistic talent of local primary school students, providing a glimpse into how young people see the world around them.
