

Fresh: your collection
The Withey Gallery

Friday 27 September 2019 – Sunday 21 June 2020

Fresh: your collection will showcase recent additions to the Tweed Regional Gallery collection from the past four years, featuring a diverse selection of artists' prints, photography, painting and sculpture, many of which will be displayed in the Gallery for the first time.

The exhibition reflects the Gallery's active acquisition program and pays tribute to the generosity of donors, including artists, collectors and philanthropists, the Friends of the Gallery and the Tweed Regional Gallery Foundation, whose assistance has been critical to the growth of the collection to more than 1000 artworks.

The exhibition will feature works by Australian artists, including Ben Quilty, Cressida Campbell, Guy Maestri, Judy Watson, John Honeywill, Karla Dickens, Max Dupain, Michael Cook and William Robinson.
